HAVE YOU EVER WONDERED WHAT IT TAKES TO RUN THE WHITE HOUSE?

JOIN US MONDAY, AUGUST 22ND AT 10:15 AND FIND OUT!

Former White House butler Alan DeValerio is coming to the Tiverton Senior Center!!

He's going to give you the inside details about all the preparations involved in White House entertaining. Not only will he relate his first-hand experiences with history, but he will pass on the stories from those people

that he worked with (like Eugene Allen, on whom the movie "The Butler" was based) who have been taking care of our First Families ever since the Franklin Roosevelt administration!

Alan will also display many of the White House artifacts (menus, programs, personal photos, etc.) that he has collected over the years. After the program

Alan's new book "A History of Entertainment in the Modern White House" (\$20, cash or check) will be available for purchase and signing.

This is a presentation that you won't want to miss!

East Bay Foster Grandparent Program

The East Bay Foster Grandparent Program is actively recruiting community members 55 years of age or older to serve as volunteer Foster Grandparents in their communities. The heart of the program is the one-on-one daily attention that FGP's provide. This special relationship helps young people grow, gain confidence and become more productive caring members of society. Foster Grandparents assist in schools, Head Start sites, YMCAs and local libraries throughout the East Bay. Foster Grandparents receive a tax-free stipend which will not affect any federal, state or local benefit or entitlement. **Tax free stipend amounts range from \$45.00 - \$120.00 per week.** Foster Grandparents also receive mileage reimbursement, meals during service, paid holidays and accident and liability insurance while serving. The mission of the program is to support positive outcomes for children by providing volunteer opportunities to income eligible individuals. Together we can build a stronger generation of children and a better community for ourselves and our neighbors.
